The Business of Dying: A Novel (Dennis Milne Series) [Simon Kernick] on Amazon.com. *FREE* shipping on qualifying offers. It's a typical cold November night and Detective Sergeant Dennis Milne, a very atypical policeman. If a business is not growing, it is likely dying in the form of lost profits or employees. Learn exactly why this happens and how to prevent it! Weight loss, therapists and beauty products will always be in demand. In this era of speculative homebuilding before the 2008 financial crisis, bigger was considered better, and buyers sought homes with the same general list of features: five or more bedrooms, a ...
