

Download China S Hidden Children Abandonment Adoption And The Human Costs Of The One Child Policy

Child abandonment is the practice of relinquishing interests and claims over one's offspring in an extralegal way with the intent of never again resuming or reasserting guardianship over them. Typically the phrase is used to describe the physical abandoning of a child, but it can also include severe cases of neglect and emotional abandonment ...China's one-child policy was part of a birth planning program designed to control the size of its population. Distinct from the family planning policies of most other countries (which focus on providing contraceptive options to help women have the number of children they want), it set a limit on the number of children parents could have, the ...Latest breaking news, including politics, crime and celebrity.
