To view an assembly outline, browse the lists under each tab, and click on any title that interests you. 'Church School' assemblies are targeted at Church schools and are more overtly Christian in content. These assemblies have been used by myfishbites and other youth workers in schools in the UK over a number of years. The assemblies are mainly high school only (years 7-11) but could be developed to be used with 6th formers - and possibly with middle / junior / primary school ages (mainly the older year groups). For short assemblies, use the Connectors section of the website. Primary School Assemblies for Religious Festivals This book features assemblies from world religions from Baha'i to Zoroastrian, suitable for all schools to use and share with their pupils.
