

Download Climbing The Church Walls

The UK's specialist Climbing Wall Manufacturers. We provide the highest quality design, construction and customer service for School Climbing Walls, Bouldering Walls & Traversing Walls. Awesome Walls Climbing Centres truly lives up to its name. We operate 4 indoor climbing centres in the UK and strive to give our customers a 1st class experience whether you're a budding Bonnington or an experienced rock star! Welcome to The Church. Situated inside a dramatic fifteenth century church in Bristol's St. Werburgh's, you'll find one of the UK's original roped climbing centres. Climbing walls are a great place to get started with climbing. With a roof over your head you can climb whatever the weather and they provide a safe, supervised environment to learn in. Climbing walls are also an awesome place to make climbing mates, people that really share your passion and will
