LEP.gov promotes a positive and cooperative understanding of the importance of language access to federal programs and federally assisted programs. Reviewers are not born complete and ready to go, they must be developed. Part of the problem has been that there has been no information or training specifically for reviewers, until now. This Blended e-Learning course is designed to help logisticians who have recently or are about to assume duties on a MAJCOM logistics staff to better understand and more effectively participate in programming and budgeting processes which take place at that level.
