

Download Cruising In A Nutshell

The Chagos Archipelago is a little piece of magic about 300nm south of the southernmost of the Maldives. It's officially a British Indian Ocean Territory (BIOT) and most people only know about it from Diego Garcia, the big US military base in the south. Struggling with what to see in Norway? Experience beautiful scenery, fjords and bustling cities on Bentours' Norway in a Nutshell itinerary over 2 to 4 days. See all our Norway tours and cruises: Fjord tours & Fjord cruises, Northern Lights tours & cruises, Christmas cruises, Norwegian coast Hurtigruten cruises A great way to see the sights.
