

Download Do You Like Dill Pickles

The first part of this dill pickle recipe is done the day before you plan on canning. The pickles need to soak overnight in a brine, then the next day you will fill your jars and process. This recipe for Refrigerator Sweet Pickles is a perfect way to preserve all those fresh end-of-summer garden cucumbers. The sweet pickles come together in quick and easy fashion, with a short list of ingredients. And there's no need for any fancy equipment!
