The Talking Devil Posted by Chuck Welch | 1943 , Bantam 109-120 , clarke , dent , larkin , nanovic , Novels , pulp | 2 Doc Savage is the target of a new, malevolent foe — the spirit of the King of Evil, who utters murderous commands through an ancient Chinese Devil Doll. Doc Savage, Monk and Women: The Talking Devil and the Running Skeletons As I've mentioned before, Lester Dent didn't bother much with continuity . If one of Doc's team has a moment of character development beyond the standard characterization, Dent doesn't follow up on it. The Talking Devil-I actually enjoyed The Talking Devil quite a bit, because it featured a very wily and original way to attack and defeat the Man of Bronze. I was delighted that I did not figure out why It has been several decades since I read a Doc Savage novel. THE TALKING DEVIL A Doc Savage Adventure by Kenneth Robeson Originally published in Doc Savage magazine May 1943 Doc Savage made a mistake—the biggest mistake of his life! It was a mistake which The Talking Devil seized upon as his greatest weapon in the struggle to ruin Doc Savage and his great lifework.
