

Download Dykes And Sundry Other Carbon-based Life-forms To Watch Out For

Dykes to Watch Out For (sometimes DTWOF) was a comic strip by Alison Bechdel. The strip, which ran from 1983 to 2008, was one of the earliest ongoing representations of lesbians in popular culture and has been called "as important to new generations of lesbians as landmark novels like Rita Mae Brown's *Rubyfruit Jungle* (1973) and Lisa Alther's *...Early Installment Weirdness*: The first few years of *Dykes to Watch Out For* had no regular characters or an ongoing plot; back then the strip was more like a lesbian-oriented version of *Life in Hell*. En la década de los 90 empezó a compatibilizar el dibujo de las tiras de *Dykes to Watch Out For* con la creación de una novela gráfica autobiográfica.
