

# **Download E-business And Distributed Systems Handbook: Integration Module**

Module Specific Resources The following are resources that you may find useful when delivering modules leading to a range of QQI components. Individual / Group / Online classes in English / Sinhala / Tamil. Sample Projects/Assignments Exam Papers, Tutorials, Notes and Answers will be provided. Technical Capability The capability for a Periscope Detection Radar (PDR) capability is a key operational need for aircraft carriers due to the risks inherent in operating in littoral waters and carriers' vulnerability to submarine attack. In computer science and information science, an ontology encompasses a representation, formal naming and definition of the categories, properties and relations between the concepts, data and entities that substantiate one, many or all domains of discourse.
