Is Your Child Gifted? What to Look for, Why You Should Know Traditional screening methods aren't the only way to identify a gifted kid. Posted May 01, 2011 Schools often have special programs for gifted children, and can identify a gifted child based on IQ scores and standardized tests. However, you should not be entirely reliant on your school to discover if your child is gifted. Why Should I Have My Child Tested? Testing is appropriate when there is a specific question to be answered: a school or program placement, or some incongruity in the child's achievement. You should know what questions you're looking to answer, before you begin the process... A Gifted Child Should Enjoy Learning.
