Buy Forecasting in Military Affairs: A Soviet View by Yu. V. Chuyev (2004-11-06) by Yu. V. Chuyev; Yu. B. Mikhaylov (ISBN:) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders. This book analyzes existing and developing methods of forecasting (heuristic, mathematical, and composite) and examines their use in solving various military problems. It demonstrates the errors inherent in all the methods and how they affect the results of decisions that can be made and the final
