

# Download How Big Were The Dinosaurs

Dinosaurs were created by God on Day 6 of creation, approximately 6,000 years ago, and were originally vegetarian. During the global Flood, many were buried and fossilized but two of each kind survived on Noah's Ark. They eventually died out, due to human activity, climate changes, or other factors. Dinosaurs was a half-hour sitcom which aired on ABC. The series, conceived just before Jim Henson's death, focused on a family of dinosaurs, the Sinclairs, and used ground-breaking full body, animatronic puppets. The show was a joint venture that merged the talents and resources of Michael...
