

Download How To Choose

Thomas Barwick / Getty Images Before you can choose the right career, you must learn about yourself. Your values, interests, soft skills, and aptitudes, in combination with your personality type, make some occupations a good fit for you and others completely inappropriate. With prices rising and more than ever to choose from, it's important to spend your money wisely on a phone that will last. Read our in-depth guide for advice on choosing the right operating system, brand and additional features that you'll really use. You can find several styles of computers on the market, and you may be wondering how you'll ever choose which one to buy. Some computers, such as laptops, are small and portable. Other computers use different operating systems, such as Windows and Macintosh, to make everything run. Computers may excel at certain functions, such as [...]1. Choose, select, pick, elect, prefer indicate a decision that one or more possibilities are to be regarded more highly than others. Choose suggests a decision on one of a number of possibilities because of its apparent superiority: to choose a course of action.
