

Download How To Look At A Painting

If you plan to use a painting as the focus for a class project, learning to 'read' a painting is a good place to start. There are certain techniques that can help your class look at, and engage with a painting. This dazzling art series reveals a fresh and exciting perspective on how to truly appreciate and better understand the world of painting. Senior curator and best-selling arts author Justin Paton takes us on a highly visual journey of exploration across the painted world to uncover and examine the marvels and mysteries of painting. While I'm on the subject, a word about "great art". Andy Warhol said that if you want to tell a good painting from a bad one, first look at a thousand paintings. With Justin Paton. 'How to look at a painting' provides viewers with a fresh and exciting perspective on how to truly appreciate and better understand the world of painting. Justin embarks on a highly visual journey of exploration across the painted world to uncover and examine the marvels and mysteries of painting.
