

Download Leading Issues In Black Political Economy

This part of the globalissues.org web site looks into some of the issues relating to food aid and poverty. At first thought, food aid is noble. However, the way it has turned out has increased dependency of poor people, furthering poverty and hunger itself as a lot of food aid has turned out to be food dumping. The informal sector of the economy, informal economy, or grey economy is the part of an economy that is neither taxed nor monitored by any form of government. Housing in the United States has become a playground for wealthy developers instead of a leg up towards the American Dream. In New York City specifically, money from luxury real estate developers has taken over our political establishment - leading to luxury rezonings that push out small businesses and working families, and leave a wake of ...Georgetown's department of government is considered one of the leading programs in political science in the United States. We offer training in international relations, comparative politics, political theory and American government.
