Mission. We, the faculty, believe the Associate of Science in Nursing degree is the basic education necessary for registered nurses. This education prepares nurses to function in a variety of acute and long-term health care settings. Mapping Notes Date; Supersedes HLTEN509B - Apply legal and ethical parameters to nursing practice: This version was released in HLT Health Training Package release 3.0 and meets the requirements of the 2012 Standards for Training Packages. Program Overview. The Professional Nursing Pathways Program at The University of Texas at Arlington offers associate-degree nursing students an effective, time-saving and affordable approach to begin their journey to a Bachelor of Science in Nursing degree while still completing their ADN coursework. Nurses and midwives must be registered with the Nursing and Midwifery Board of Australia (NMBA), and meet the NMBA's professional standards in order to practise in Australia.
