

# Download Mary Engelbreit's Summer Craft Book

Mary Engelbreit's Queen of Hearts would be a fun book to read with this! I think I'll do this craft with my son tomorrow. He just did letter Q in his MDO class. My inspiration for this project came from the very talented Elizabeth over at (Creative Breathing).....and of course from Mary Engelbreit's Home Companion. Stamp roll holders bring back memories of my grandmother who always had one sitting on her desk | 173 people on Pinterest are using stamp roll holders for more ideas about Rolls, Stamps, Desk accessories. The following courses and events have been approved for ACF CEHs. Contact the CEH Provider for more information and registration details.
