

Download Medicine, Doctors And Health

Functional Medicine in the Bay Area. Have you been to several doctors but no one knows what's wrong with you? Have you been properly diagnosed, but the treatment you have received isn't working for you? WASHINGTON — Are health insurance policies creating nightmares for physicians and hazards for their patients? A new study finds that nearly nine in ten doctors believe barriers set by insurance plans have led to worsened conditions for patients in need of care. Medicine is the science and practice of establishing the diagnosis, prognosis, treatment, and prevention of disease. Medicine encompasses a variety of health care practices evolved to maintain and restore health by the prevention and treatment of illness. The Washington Institute of Natural Medicine is a natural health care center offering a variety of holistic based services to the Washington, D.C. metropolitan area. The center's staff includes Doctors of Naturopathy, certified and licensed practitioners, and natural health care interns.
