

Download Migration In South And Southern Africa Dynamics And Determinants

PDF | On Jan 1, 2006, Pieter Kok and others published Migration in South and southern Africa: Dynamics and determinants. In this wide-ranging work, prominent migration scholars provide insight into the current dynamics and determinants of both immigration and migration in South and southern Africa and reflect on how the lifting of apartheid has affected migration in the region. In this wide-ranging work, prominent migration scholars provide insight into the current dynamics and determinants of both immigration and migration in South and southern Africa and reflect on how the lifting of apartheid has affected migration in the region. The book covers three broad areas: macro-level migration trends in sub-Saharan Africa; micro-level factors in South African migration ...
