The Moomin stories concern several eccentric and oddly-shaped characters, some of whom are related to each other. The central family consists of Moominpappa, Moominmamma and Moomintroll. Hi! Love your blog, it is very informative. I have a question - Finn Family Moomintroll was the only book I read as a child and at the beginning Snufkin spends the winter in Moominvalley, why is that? I didn't think his kind hibernated.

Continuity in Moomin books is not absolute or linear, but this page lists my collection of Tove Jansson / Moomin books. If you click on a title or book cover image, you can see further details of that book, and browse around other editions of the same book or other books in the same series. Moomintroll (Swedish: Mumintrölet) (also known as Moomin) is the main protagonist in the Moomin books by Tove Jansson. He lives in the Moominhouse together with his father Moominpappa and his mother Moominmamma and has a keen spirit of adventure.
