About the Night Tour Experience Paris lit up at night. Our Paris Night Tour gives you front-row seats to Paris at night so you can see the city's famous landmarks beautifully illuminated in the evening. Some say that Paris is nicer at night... One thing's sure, Paris by night is an unforgettable light show. My idea is to show you around the nicest enlightened monuments of the city after sunset: The Sacré Coeur of Montmartre, Concorde Square, the Champs Elysées, Napoléon's Triumph Arc, Notre Dame, The Louvre, Vendôme luxury Square, the ...Back. Photographer Stephen Wilkes' Day to Night Series is a unique collection that perfectly captures the energetic ebb and flow from dawn 'til dark of different well-known landmarks around the world. A Hot Night in Paris is the only album by The Phil Collins Big Band, released in 1999 by Atlantic Records. Fronted by Genesis lead singer Phil Collins, the album did not contain any singing.
