An Age-Old Problem: Who Is 'Elderly'? The word itself has been around for centuries, but only lately has it become an unpopular way to describe people who are old. Both young and old can feel like they don't belong. But loneliness is a social problem, with a social solution. Social Issues » The problem of old age in India The problem of old age in India. A man's life is normally divided into five main stages namely infancy, childhood, adolescence, adulthood and old age. If you've ever been trapped in close quarters with a not-altogether-there senior, some place like the back of a Prius, an elevator or a changing room (who are we to judge?), then you may have noticed that olfactory treat resembling a hint of urine and mothballs with maybe some Old Spice and perogies thrown in for good measure.
