

Download On Professions, Professionals And Professional Ethics

A professional is a member of a profession or any person who earns their living from a specified professional activity. The term also describes the standards of education and training that prepare members of the profession with the particular knowledge and skills necessary to perform their specific role within that profession. Professional ethics encompass the personal, and corporate standards of behavior expected by professionals. The word professionalism originally applied to vows of a religious order. Mission. Founded in 1976, the Center for the Study of Ethics in the Professions was the first interdisciplinary center of its kind to focus on ethics in the professions. What is a Profession? Definition. We at the Australian Council of Professions define a 'Profession' as: A Profession is a disciplined group of individuals who adhere to ethical standards and who hold themselves out as, and are accepted by the public as possessing special knowledge and skills in a widely recognised body of learning derived from ...
