

Download One O'clock At The Gotham,

Reading The Gods of Gotham is like being magically transported to another time. You'll be overwhelmed with the sights, sounds, smells, and chaos of New York in the 1840s, while never losing sight of the fact that this is a first-rate crime novel for any era. YAHF: The Other Side of the Coin. Xander Harris finds himself inside Lex Luthor's body in the DC Universe. He's sure his friends will eventually rescue him, so he decides to toss a few monkey wrenches into the workings of the universe while he's there.
