

# Download Visible Learning For Teachers Maximizing Impact On Learning

Review "Visible Learning for Teachers is a profoundly important book for teachers, school leaders, parents, and policymakers. John Hattie provides the 'jury standard' for educational research. Visible Learning for Teachers draws on the findings of John Hattie's ground-breaking meta study Visible Learning (2009). Hattie's follow up book concentrates on the underlying story behind the data and provides many hands on examples for Visible Learning in the classroom. In November 2008, John Hattie's ground-breaking book Visible Learning synthesised the results of more than fifteen years research involving millions of students and represented the biggest ever collection of evidence-based research into what actually works in schools to improve learning. Reviews "Visible Learning for Teachers is a profoundly important book for teachers, school leaders, parents, and policymakers. John Hattie provides the 'jury standard' for educational research.
